

MEETING OF THE INTERSTATE 81 COMMITTEE

We are concerned about your health, and we are committed to do all we can to reduce the risk and spread of novel coronavirus. Governor Ralph Northam declared a state of emergency in Virginia on Thursday, March 12 in response to COVID-19. In light of this action, we have decided to conduct the October Interstate 81 (I-81) Committee meeting using electronic communications in accordance with Item 4-0.01.g. of Chapter 1289 (2020 Acts of Assembly), as the COVID-19 emergency makes it impracticable or unsafe to assemble in a single location.

The purpose of the meeting is to discuss or transact the business statutorily required or necessary, related to the Interstate 81 Corridor Improvement Program. All committee members will be participating remotely. The public may view the meeting via live stream by clicking the "View video" button at the following link: <http://improve81.org/advisory-committee-and-meetings/advisory-committee/default.asp>.

There will be opportunity for public comment during this meeting. Public comment can be submitted by dialing (937) 582-5124, followed by the PIN number 315 054 739# when it is announced that public comment will begin. A caller may be placed on hold until others who have called in earlier have had opportunity to speak. In the event there is an interruption in the broadcast of the meeting, please call (804) 729-6495.
